

# April Edition 2021

# Wesley Methodist School Seremban

# Negaraku

## Negaraku

Tanah tumpahnya darahku,  
Rakyat hidup bersatu dan maju,  
Rahmat bahagia Tuhan kurniakan,  
Raja kita selamat bertakhta,  
Rahmat bahagia Tuhan kurniakan.  
Raja kita selamat bertakhta

# Negeri Sembilan State Song

**Berkatlah Yang Di-Pertuan Besar Negeri Sembilan,  
Kurniai sihat dan makmur,  
Kasihi rakyat, lanjutkan umur!  
Akan berkati sekalian yang setia,  
Musuhnya habis binasa!  
Berkatlah Yang Di-Pertuan Besar Negeri Sembilan.**

# School Song - Our Wesley Anthem

Wesleyans stand up and heed  
The call to honour our Wesley creed  
To rise above and beyond them all  
To live as light for all  
The vision God has given us  
Faithful we will be  
To stand for truth and excellence  
For all the world to see  
The Flame of God will burn on bright  
As we learn what's right  
And hold steadfast to what is right  
Serving with all our might  
Wesleyans stand up and heed  
The call to live out our Wesley creed  
All our days to keep it bright  
The Wesley Methodist flame  
For the glory of God's name!

# Principal's Desk

Greetings! The global combat against the Covid-19 pandemic continues with new norms becoming a way of life. Despite losses, many have arisen as phoenixes from the ashes. We take courage from that. As educators at WMSS, we have grown from strength to strength in order to deliver a holistic and wholesome education. We are more determined than ever to prepare WMSS students to face uncertainties.

We advocate confidence, character, and community. Confidence via proficiency in English, performing arts appreciation, and academic excellence. Character via determination, discretion, endurance, enthusiasm, and self-control. Community via teamwork, family spirit, and service.

Wesley Methodist School Seremban aims to be an ACE school, focusing to go “Above and Beyond” in Academics, Character-building and Extra-curricular activities amongst WMSS students. We continuously endeavour to obtain strong academic performance and reputation. We constantly seek to nurture and develop full potential and character via the passion and commitment of our staff.

We unceasingly encourage and promote opportunities to pursue accomplishments outside the academic arena. We wish to build a strong community with the parents and guardians to achieve our aspirations for WMSS students.

Hence, we celebrate and honour WMSS students who have achieved academic excellence and that this distinction will continue to permeate into all subjects undertaken and aspects of their lives.

We thank God for His goodness and provision in leading, guiding and helping us to provide a holistic and wholesome education for all the students here. Daniel 11:32 “The people who know their God shall be strong and carry out great exploits.”

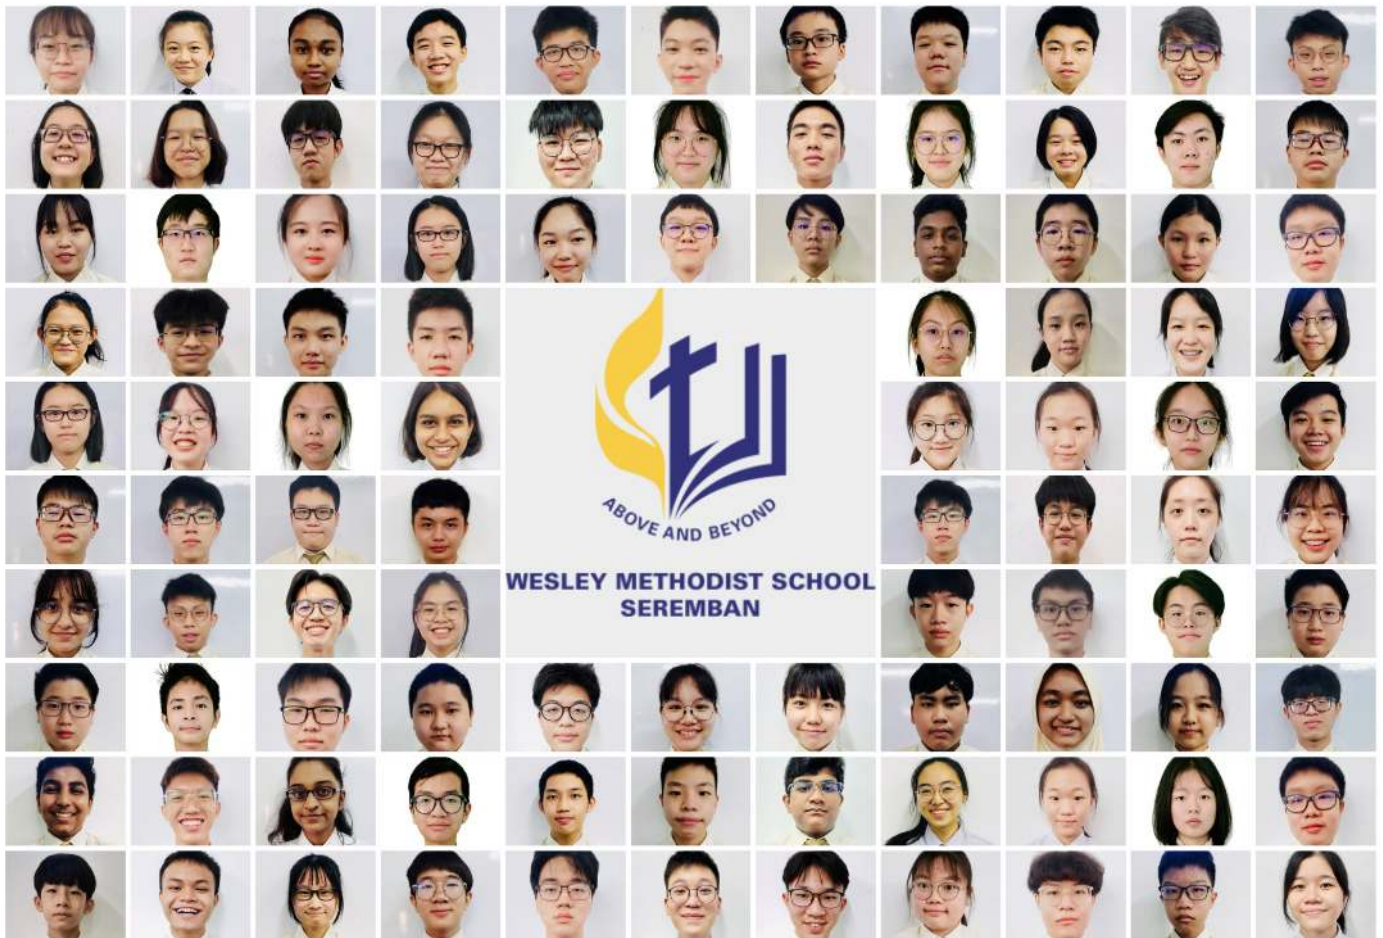

MDM LIU YOKE CHEN

Principal Wesley Methodist School Seremban

# Colourful Year

We welcomed our students back to school with the theme: "Get Ready For a Colourful Year" and we sure did stand true to our theme as we were able to complete a few colourful projects.

# My School My Home

My School My Home - this project was initiated by Mdm Liu who inspired the students and teachers alike to beautify the school to foster the feeling of “home” in school.

"The evidence strongly suggests that a consensus approach yields more creative decisions and more effective implementation than does individual decision making." William Ouchi

# Christmas Online

We had the opportunity to celebrate Christmas online with our students and teachers. WMSS came on live in Facebook for a time of singing and talent sharing. Below are some of the pictures published. [Christmass Online Program FB Link](#)

Passionate to save our world, our learners embarked on a journey to bring awareness to all with art and music.

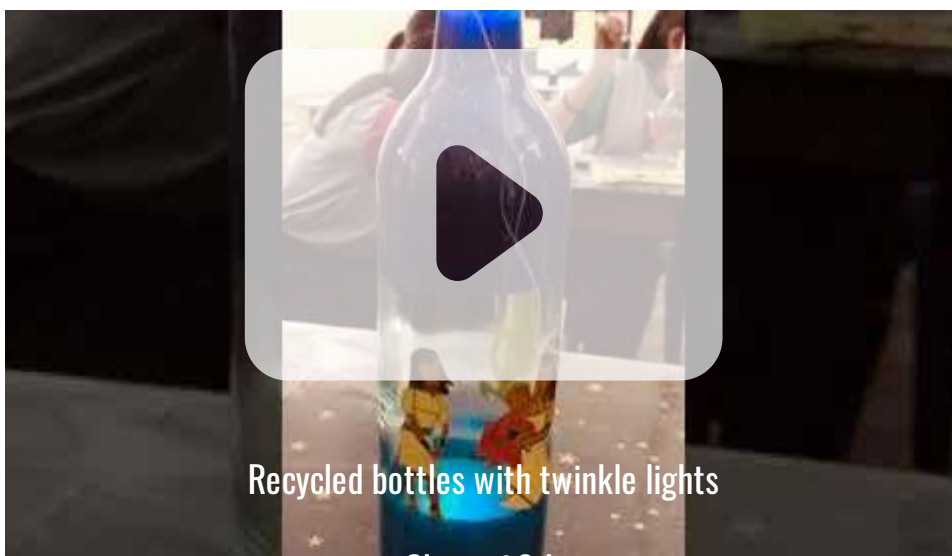

# WMSS Cares...

Recycled glass bottles - we collected unwanted glass bottles and beautified them with twinkle lights to tell a story.

Some of our learners used the glass bottles as an item to decorate the class and it coincided with the topic of 'Interior Decoration'. <https://youtu.be/IUsUv4nMk0g>.

# Social Marketing

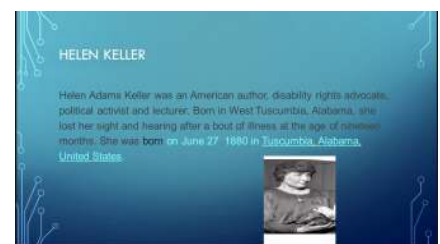

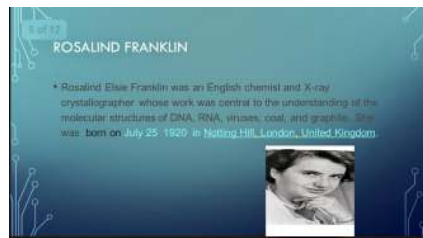

The ocean, a social marketing approach. In order to save earth's beautiful oceans and all sea animals from plastic pollution, the students used a social marketing approach to gain the attention of earth dwellers by coming up with a comic strip. <https://bit.ly/3vqB2N0>.

# Women's Day

Here at WMSS, we encourage learners to respect women and their accomplishments. The upper forms were given an essay topic to write their views on this The lower forms came up with a project on women and it was done well.

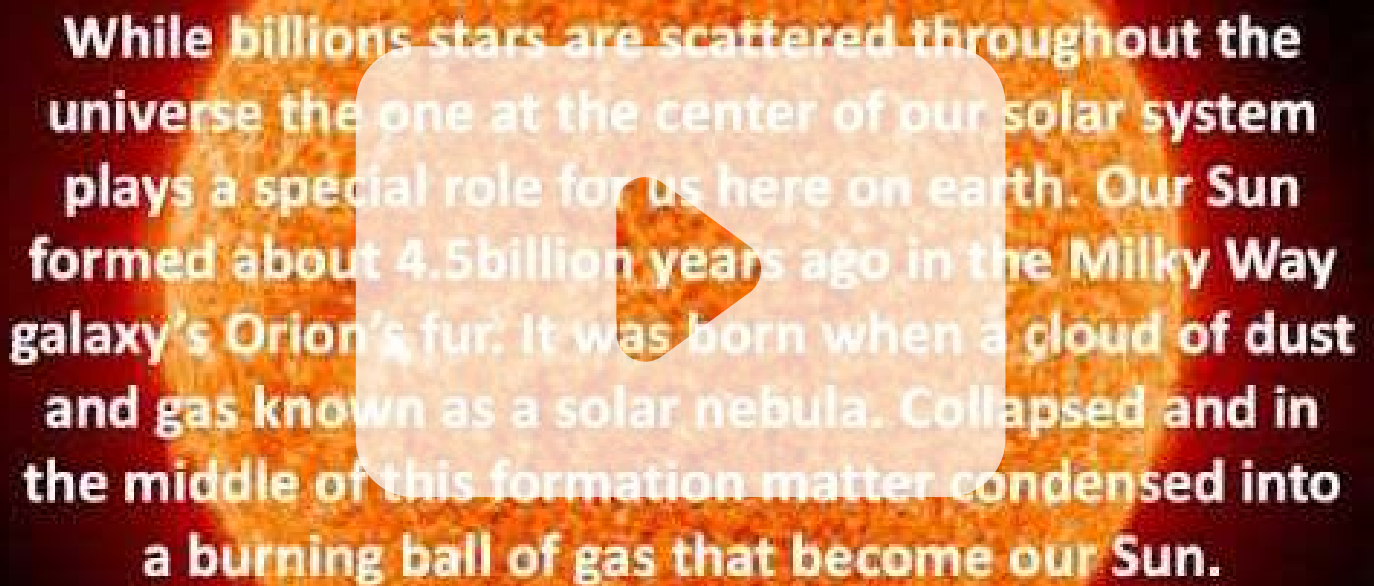

Presentation by Team Michelle Uma Paul - 1 Peace

# God Created the Heavens & the Earth

The book of Genesis is a book in the Bible where it writes about how God created the heavens and the earth and all that we see. We took this window of opportunity to explore the solar system and below is the project that was formed by our learners.

<https://www.youtube.com/watch?v=4bBxWOnNh4>

While billions stars are scattered throughout the universe the one at the center of our solar system plays a special role for us here on earth. Our Sun formed about 4.5 billion years ago in the Milky Way galaxy's Orion's fur. It was born when a cloud of dust and gas known as a solar nebula. Collapsed and in the middle of this formation matter condensed into a burning ball of gas that become our Sun.

Hoo Ming Sheng & Team - 2 Joy

# Form 5 Graduation

We would like to shout out a big "Congratulations!" to all our 2020 Form Five school leavers and we wish them all the best in their future undertakings. WMSS Students Fly High...
